

Block Eleven – Four Special Seasons

Color one (background) – cut (8) 3 1/2 inch squares, cut (2) 3 7/8 inch squares.

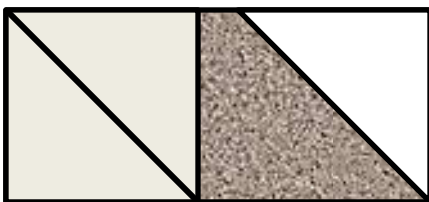

Color two (dark gray) - cut (2) 3 7/8 inch squares, cut (4) 6 1/2 inch by 3 1/2 inch rectangles.

Color three (light gray) – cut (4) 3 1/2 inch squares.

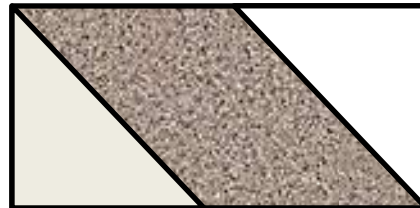

To make the diamond points, take your 3 1/2 by 6 1/2 inch rectangle, lay a 3 1/2 inch square of color one background on the right end, right sides together, draw a diagonal line and sew on that line. Cut apart and press open. See Diagram:

Now lay a 3 1/2 inch square of color three on top of the left side, draw a diagonal line, sew on that line, cut and press open. Diagram:

To get this:

Now take your 3 7/8 inch squares, place a color one and color two right sides together, draw a diagonal (check and make sure it is going to correct way), sew 1/4 inch on either side of the diagonal, cut down the middle and press open two half square triangles. Place your units to make the block and sew together.

Almost ...so close....one more block 'til DONE!
