

Block seven – Old Route 17

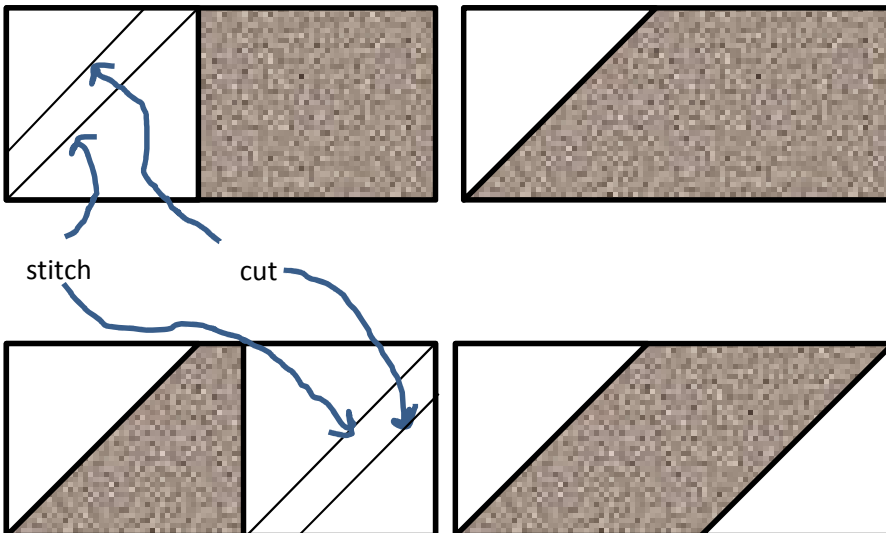

Color one (background) – cut (12) 3 ½ inch squares.

Color two (dark gray) – cut (4) 3 ½ by 6 ½ inch rectangles

Color three (light gray) – cut (4) 3 ½ inch squares

Using the Stitch and flip method, place one square of color one background right sides together over one rectangle of color two, stitch, trim and flip. Repeat on opposite corner. See diagrams.

Now layout you block according to the above block diagram, placing color three in the corners and stitch it together. **BLOCK SEVEN IN THE BAG!**
